#### CLASSIFICATION DESCRIPTION

##### Nature & Scope of Work

This is a 3<sup>rd</sup> Year Cinematography Course, and the successful candidate will be teaching two cohorts each week for 15 weeks. This course includes classroom instruction, lecturing and demonstration. The successful candidate should demonstrate proven strategies for working with and assessing a wide range of students with diverse backgrounds and will be required to engage in program development and departmental initiatives.

##### Qualifications & Experience

Ideally the successful candidate will have:

- A Master's degree, MFA or a combination of professional, educational and instructional equivalencies may be considered
- A current practice and in-depth knowledge of Cinematography, and Digital Cinematography
- Knowledge of post-production, digital workflow and colour correction
- Academic scholarship, or published work in visual theory
- Experience delivering, developing curriculum and teaching material at post-secondary level
- CSC or ASC affiliation
- Proven ability to work and collaborate effectively as a part of a team
- A minimum of 15 years of professional experience
- Prior teaching / training experience.

#### HOW TO APPLY

Interested applicants should submit a cover letter and resume to the email address listed below, quoting the posting number in the subject line, by **4:00 PM** on the closing date. Submissions must be in pdf or .doc format only. Proof of education will be required at a later stage of the competition.

**E-mail:** [faaoffice@capilanou.ca](mailto:faaoffice@capilanou.ca)

**Mailing Address:** Office of the Dean  
Faculty of Fine & Applied Arts  
Capilano University  
2055 Purcell Way,  
North Vancouver, BC, V7J 3H5

*We thank all applicants for their interest; however, **only** those selected for an interview will be contacted.*
